- (h) For such other purposes as may be set forth in the Confirmation Order; and
- (i) To enter such Orders as are necessary and appropriate under the Code.

ARTICLE 10 – CONDITIONS OF THIS PLAN

10.1 The Plan shall not be confirmed, the Debtors shall have no obligation to make any loans or advances as Debtors, Debtors shall have no liability to any person, and the Plan shall be of no effect unless all of the following conditions have been satisfied, or waived in the sole discretion of Debtors:

11.3 Interests. Except as specifically set forth in the Plan or in any Final Order of the Court entered during this Chapter 11 case, interest shall be deemed not to have accrued with respect to any claim since the filing date and no payment of said interest will be made pursuant to the Plan.

11.11 No Realty Transfer Tax. This plan does not contemplate the sale of any real estate. Should the Debtors wish to sell real estate as part of the plan, the plan shall be amended accordingly with notice to creditors. Nevertheless, the Debtors reserve the following rights: Subject to orders entered by the Bankruptcy Court authorizing certain sales/transfers of real property in connection with any real property transaction, pursuant to section 1146(a) of the Bankruptcy Code, the assignment or surrender of any lease or sublease, or the delivery of any deed or other instrument of transfer thereunder, including any deeds, bills of sale or assignments executed in connection with any disposition of assets contemplated by the Confirmed Plan shall not be subject to any stamp, real estate transfer, mortgage recording or other similar tax.

11.12 Severability. If, prior to the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court, at the request of the Debtors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

11.13 Post-Effective Date Fees and Expenses. From and after the Effective Date, the Debtors will, in the ordinary course of business, and without the necessity of any approval from the Bankruptcy Court, pay the reasonable fees and expenses of Professional persons hereafter

Section 1122 c) or if this Plan does not meet the requirements of 11 U.S.C. Section 1129 after a ballot of creditors.

ARTICLE 13 - CRAMDOWN

13.1 Cramdown. In the event all Classes of creditors do not vote in favor of the Plan in the requisite majorities, and in the event at least one impaired Class votes to accept the Plan in the requisite majorities, the Debtors may seek to confirm the Plan notwithstanding rejection of the Plan by one or more impaired classes, pursuant to 11 U.S.C. § 1129(b) of the Bankruptcy Code.

ARTICLE 14 -ALTERNATIVE TO PLAN

14.1 Liquidation. Liquidation under chapter 7 would result in smaller distributions and possibly no distributions to some creditors, as the case may be, compared with distributions

under this Plan. The costs and fees of administering a liquidation of Debtor's assets would contribute to decreased distributions under a Chapter 7 case. Further, the secured creditor would is currently seeking to sell all of the properties at a sheriff sale. The Plan not only preserves the best value of the Estate, it also provides for the most effective and efficient disposition and administration of the Debtor's assets. The likelihood of no other claims being paid, except for some secured claims, is very likely under this scenario.
